

**Vendor Info for Show Entrance:**

Vendors must enter at Gate A, there will be a security person at this gate checking to be sure that only vendors or their helpers enter there. Helpers can give the vendors name to gain entry. You will then proceed to the vendor parking area as shown on the map with the white dotted line around the stadium to our vendor parking lot. Gate A will open at 12:00 am and close at 8:00am. This gate is only for set up time, after the show closes you may exit through the customer parking area through Gate 2 or 3.

The selling area will be open at 4:00am as will our table for those who are picking up their passes or signing up that morning. This table will be in the vendor parking area. The security person at Gate A will have a list vendor names only for pre-registered, pre-paid, or will call vendors; they will not be checking vendor passes at that time.
